

Section 504 Notice of Program Accessibility

The regulation implementing Section 504 requires that an agency/facility “. . . adopt and implement procedures to ensure that interested patients, including patients with impaired vision or hearing, can obtain information as to the existence and location of services, activities, and facilities that are accessible to and usable by disabled patients.” (45 C.F.R. §84.22 (f))

Dermatology Solutions Group and its affiliated clinics are accessible to and useable by disabled patients, including patients who are deaf, hard of hearing, or blind, or who have other sensory impairments. Access features include:

- Convenient off-street parking designated specifically for disabled patients
- Curb cuts and ramps between parking areas and buildings
- Level access into first floor level with elevator access to all other floors
- Fully accessible offices, meeting rooms, bathrooms, public waiting areas, and patient treatment areas, including examining rooms
- Assistive and communication aids provided to patients who are deaf, hard of hearing, or blind, or who have other sensory impairments. There is no additional charge for such aids.

Some of these aids include:

- Qualified sign language interpreters for patients who are deaf or hard of hearing
- A telecommunication device (TTY/TDD) for use by patients who are deaf, hard of hearing, or speech impaired
- Assistance for patients with impaired manual skills
